1961

11/2/58

The modern teenager wears many hats. The shape of his hat is significant—when pounded into a helmet, it suggests valor; when crushed into a cap, it lends itself to sportsmanship and relaxation; when fashioned into a square, it denotes scholarship.

We are happy to present the styles which fit the varied occasions of our school year, 1960-1961.

Dedication

To our parents, with gratitude and humility, we, the Class of 1961, dedicate our Lore. Their patience and understanding have helped us through a few of the sorrows, many of the joys, and much of the happiness we have encountered during our school life. Their kindly advice and intelligent foresight have given to us that intangible something which encouraged us to achieve in the classroom, in sports, and in various activities. Our parents are enshrined in our hearts. May their constant devotion ever be a true standard of our ideals.

ADMINISTRATION

The Board of Education acts as an executive committee of the public to see that policies, procedures, and expenditures are used in the best interest of all. The members have given of their time, talents, and wisdom to guide and improve our school system.

MR. RICHARD H. BARTHOLOMEW
B.A., M.Ed., The Pennsylvania State University
Superintendent of Public Schools, Lewistown, Pennsylvania

Hats off to the Seniors! Our hats are doffed to you for leadership, cooperation, pursuit of sound principles, and using creative ideas.

Our schools have preserved democracy and kept us free. They have provided an enlightened citizenry that self-government might work; they have been the medium by which national unity has been achieved and a common language and common heritage developed; and they have routed the forces of privilege and division.

The challenge to each of you is clear. Build on your knowledges and understandings. Continue to grow and allow the spirit of inquiry within you to grow. Set personal goals for yourself. To achieve personal goals prescribes involvement and continuing search. Pursuing sound principles and using creative ideas involve putting them into practice with effective timing, precision and wisdom.

The future is not just a challenge, but an opportunity that is yours. Your inalienable right is that of pursuing to the fullest and with great integrity and dedication, the goals you have set for yourself for living and working in this great country.

Our hats are off to you, and best wishes for success and happiness.

As the 1961 LORE was compiled to take its place among the forty-two annuals of Lewistown High School, the staff worked diligently with their classmates to record their year and to raise sufficient funds to meet production costs.

The editors and staff were elected in their junior year; they immediately began work on production layouts, composition, and finances.

STEVE SHOWERS and Fred Sprout, two student LORE photographers, exchange views on the latest camera developments.

Parades, Football Games, and Concerts

Under the direction of John W. Reitmeyer, the instrumental program of Lewistown Public Schools offers opportunities to interested pupils. At football games, both home and away, the Panther Marching Band, accompanied by majorettes and color guard, presents a colorful, exciting, and rhythmic performance. At pep rallies, they give enthusiastic accent to the cheers. Other activities of the band are community parades, Band Day at State College, and participation in the commencement exercises.

A highlight of this year's work was "Band-Tasia," the annual band concert. Appearing with the band was a young clarinetist, John Van Bockern of the United States Army Band.

Members of the band who have served faithfully for two years receive maroon and steel flannel jackets, awards presented by the Band Boosters Organization.

LEWISTOWN 18—HOLLIDAYSBURG 21

Senior-end, Mike Price, caught three touchdown passes; however, they were not enough to subdue the Golden Tigers.

LEWISTOWN 21—BLOOMSBURG 13

An intercepted pass returned for a touchdown by line-backer, Buddy Pierce, provided the margin of victory as the Panthers edged past Bloomsburg.

LEWISTOWN 34—TYRONE 0

The Papertowners found the going tough as they crumbled at the hands of the L.H.S. Panthers.

LEWISTOWN 34—CAPTAIN JACK 0

34-0 again proved to be the winning margin as Captain Jack fell humbly before their host, the Panthers.

LEWISTOWN 20—STATE COLLEGE 14

Tom Brown and his ten "not so little" Panthers tamed the Little Lions with a Brown score in the final canto.

LEWISTOWN 21—LOCK HAVEN 38

The passing combination of Brown to Price clicked very

well; unfortunately, this was not quite enough as the Panthers were wounded by the powerful Bobcats.

LEWISTOWN 45—JERSEY SHORE 13

This one-sided game left little to be desired as the Panthers romped to a victory over visiting Jersey Shore.

LEWISTOWN 0—CHIEF LOGAN 33

Backdoor rival, Chief Logan, scalped Lewistown of their third victory as the invaders retreated with a 33-0 decision.

LEWISTOWN 35—SELINSGROVE 14

The first play was the difference! Brown threw to Price and a TD. The Seals never recovered from that play, and it was all L.H.S. from there on with Brown featuring spectacular running.

LEWISTOWN 13—HUNTINGDON 13

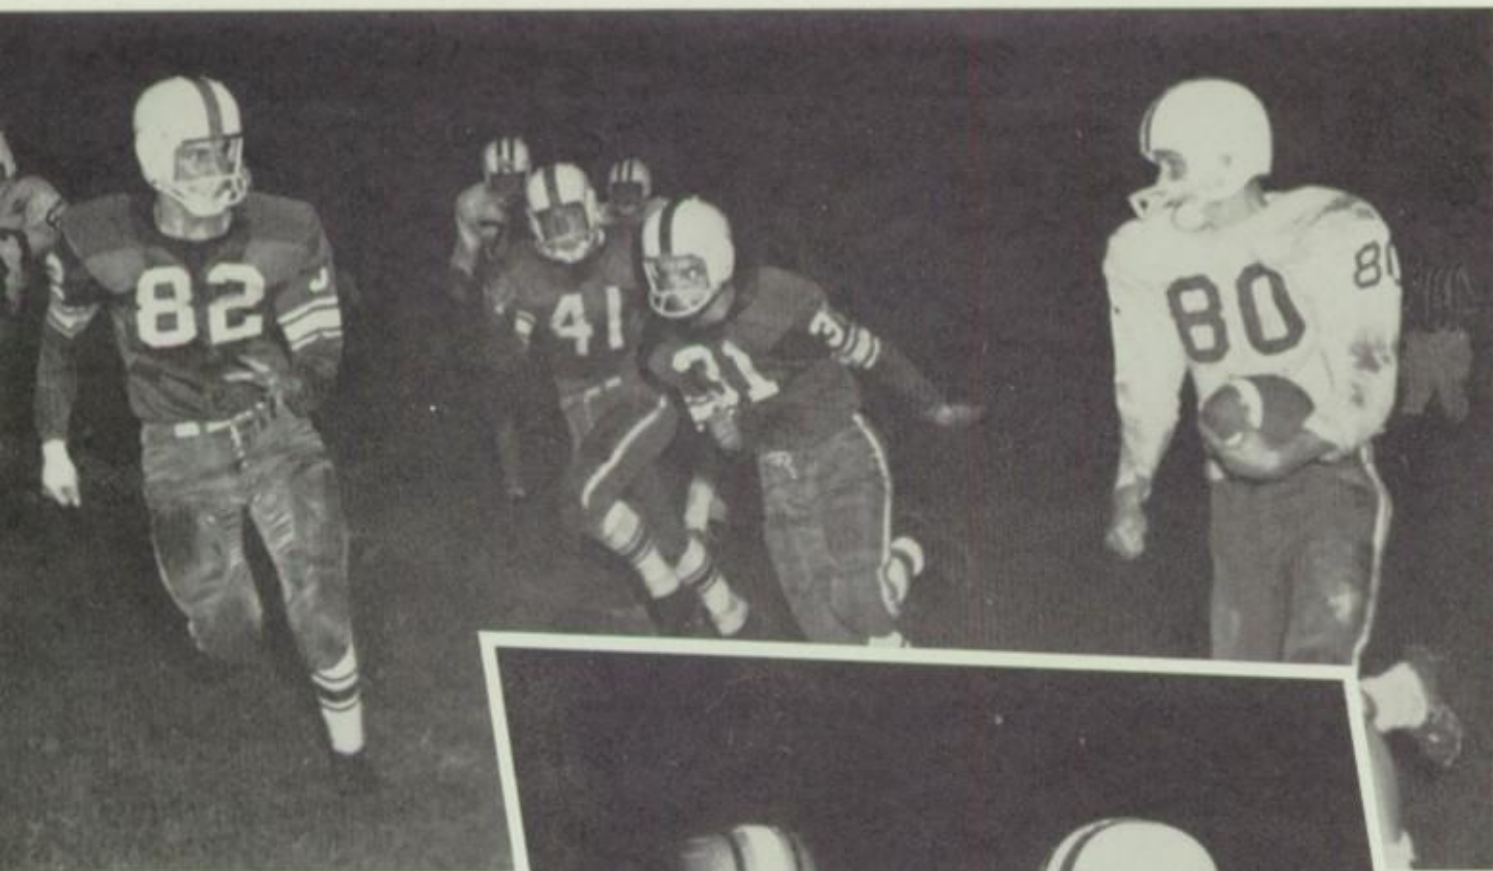

It was the worst of times, it was the best of times as the Panthers executed a magnificent comeback to tie the Bearcats.

Coach Joe Sicchitano's forces again dominated the Junior Varsity Mountain League teams. As he has done for so many years, Coach Sicchitano developed a group of inexperienced boys into a highly co-ordinated team. The Baby Panthers' starting five consisted of John Keim, Joe Zook, Keith Klinger, Joe Clare, and George Rheam.

The boys on the Junior Varsity Wrestling Team learn quickly that "it's what's on the bottom that counts." With a record this year of 8 wins to 3 losses, they look forward to a future on THE team.

Many new faces were prevalent in the wrestling lineup as was a core of experienced veterans. Led by Nelson Aurand and John Henderson, the lettermen set highly successful individual records. With the advancement of many outstanding underclassmen from the J.V. squad, Lewistown booms as a power in the recently formed Central Wrestling Conference.

ODORS FROM the "galley" lure hungry students to their favorite period.

Our Big Event Before Our Seniority

THE MELLOW TONES of the Mel Arter Orchestra permeate the air as the gay festivities continue into the night.

THE CLASS OF '60 SALUTES THE CLASS OF '61 FOR THE CHARMING "CAROUSEL."

POSING FOR the Carousel Camera, Mike Price and Susan McClain find solitude from the whirling and swirling dancers.

Many eventful hours were utilized by the Class of 1961 in preparation for the presentation of "Carousel" which was acclaimed the finest Prom ever to have been held in L.H.S.

While dancing round the pink and white carousel studded with authentic, hand-carved German horses, many rapturous thoughts were stored for future memories.

Carousel

JUNIORS DANCE CONFIDENTLY to the tune of success while seniors, enthralled by the beauty of the night and music, are grateful for this, their last L.H.S. Prom.

SENIORS

Introducing The Class of 1961

SENIOR CLASS OFFICERS and ADVISERS: Peggy Royer, vice-president; Nancy Billingham, secretary; Miss Benner, adviser; Andrew Calhoun, treasurer; Richard King, president; Mr. Horton, adviser.

CLASS SONG

Oh, the wonderful years that we'll cherish so dear,
Filled with our happiness, memories and cheers.
With colors of red and grey we share,
Seeking our goals with the greatest of care.

Seeing our great athletes fight to the end,
With one more victory just 'round the bend.
Theme of a carousel our precious prom,
Dancing in splendor to our favorite songs.

Class of '61 fight on and on,
Through bright blue skies and towering storm.
We'll conquer all if faithful we'll be,
To old L.H.S. and the knowledge received.

CLASS SONG COMMITTEE: *At piano:* Ann Crissman. *Standing:* Sue Clare, Fred Sprout, Mike Rhodes, and Carol Hackett.

CLASS MOTTO: Cease not to learn 'til you cease to live.

CLASS MOTTO COMMITTEE: Paul Leber, Steve Showers, Walter Pierce, Andy Singer.

*We Live Together . . . We Laugh Together . . .
We Learn Together*

This year in Lewistown High School has been the best and most interesting year in my life. Each day has been filled with joy and eagerness giving me the chance to meet nice people and know more about American life. By living with people who have different habits and different backgrounds, I have come to realize that it is possible for all people in the world to come closer together. I wouldn't trade this year for anything. I am sure I can never forget it because it has been the most wonderful year in my life.

Being only one of 8,000 applicants, never did I believe I would be chosen as an American Field Service student. But I was, and now I wish every teen-ager could have had that same opportunity. It was a chance of a lifetime. I will never forget Berne, Switzerland, with the Nicolet Family—horse-back riding, swimming, water skiing, bicycling, mountain climbing, and eating!

NOW! Financial Assurance For Your College Education

Education, as you know, is gained bit by bit. Now it can be paid for that way—in small, low cost monthly installments through our “College Education Assured” plan.

This plan spreads your tuition, room, and board cost over a longer period than the years you are in college. It eliminates lump sum payments to your college, reducing the strain on your family’s budget.

The best part is, you and your parents are protected by insurance. In case of disability or

death of your parents or sponsor, all remaining payments on the plan will be paid. If you die or are disabled, all payments made will be refunded. And you can end or adjust the plan at any time without penalty.

If you want to further your education, but have held back because of financial reasons, this is the plan tailor-made for you. Stop in at any of our offices today and ask for our free folder, or call Lewistown 248-5455 and ask for our College Education Assured consultant.
